

Little Bookham Village Hall Wi Fi – Terms & Conditions

1. Purpose of This Notice

The village hall provides free Wi Fi to support community activities, learning, and events. These T&Cs explain how the service may be used and protect the hall from liability arising from misuse.

2. About the Wi Fi Service

- The Wi Fi is offered free of charge for general use.
- The service is provided “as is” — we cannot guarantee speed, availability, or compatibility with all devices.
- The hall does not offer technical support for connecting devices.

3. User Responsibility

By using the Wi Fi, you agree that:

- You are fully responsible for all activity carried out on your device.
- You must ensure your device has appropriate security, privacy settings, antivirus, and firewall protection.
- You must supervise children or vulnerable adults in your care when they use the internet.

4. Prohibited Activities

To keep everyone safe, you must not use the Wi Fi for:

- Any illegal or fraudulent activity
- Accessing or sharing offensive, extremist, or inappropriate content
- Attempting unauthorised access to systems or networks
- Introducing malware, viruses, or harmful software
- Downloading or sharing copyrighted material without permission
- Interfering with the network or other users
- Commercial purposes
- Any activity that could compromise the hall’s security or reputation.

5. Security & Privacy

- The Wi Fi may collect limited technical data to ensure lawful and secure operation.
- The hall is not responsible for data loss, hacking, interception, or damage to your device.

6. Limitation of Liability

- The hall accepts no liability for how the Wi Fi is used.
- Users may be held legally responsible for any unlawful or inappropriate activity carried out through their devices.
- The hall is not liable for malware, viruses, or other harmful effects on users’ devices.

7. Suspension of Access

The hall may suspend or withdraw Wi Fi access at any time, without notice, if:

- Misuse is suspected
- Security concerns arise
- Operational needs require it.

8. Acceptance of Terms

By connecting to the hall’s Wi Fi, you confirm that you have read and agree to these Terms & Conditions. **If you do not agree to these terms, do not use the service.**
